

## Instructors...

...are you ready to try something new?

Try finding your adopted textbook on CourseSmart.

### CourseSmart has the most eTextbooks from the leading publishers.

You can use CourseSmart to find the right textbook for your course or as a convenient resource for textbooks you're currently using. It's also a more environmentally friendly way to access course material.

- > More than 4000 newly published eTextbooks in hundreds of course areas
- > Best-selling titles provided by leading publishers
- > Accessible online from anywhere at anytime

### How can CourseSmart help you?

With a CourseSmart eTextbook you can:

- > Search by topic and link to that coverage in your eTextbook
- > Copy and paste sections into a document to create lecture notes
- > Respond to student email and link directly to the page where they can find the answer
- > All without needing your print desk copy

### CourseSmart can help your students.

Students can save up to 50% on your adopted title at CourseSmart. Since the CourseSmart eTextbook has the same content and pagination as the printed text you can rely on this alternative for students who shop online, prefer digital or want to save money on course material.

### Thousands of instructors are already using CourseSmart.

Ninety-eight percent are satisfied with their experience and 86% would recommend it to a colleague. *How can you get started?*

1. Go to [www.coursesmart.com/instructors](http://www.coursesmart.com/instructors) and **Search** to see if your adopted title is on CourseSmart
2. Try to **Sign In** or create an account (see below)
3. Select **Request Online Exam Copy** for titles you would like access to
4. Add a link to the CourseSmart eTextbook in your syllabus as an option for students

### Contact your Publisher Sales Representatives

These leading publishers are making their titles available as eTextbooks on CourseSmart. Contact your publisher representatives and ask that they send you CourseSmart eTextbooks. One great benefit: You keep eTextbooks from all of these publishers in a single MyCourseSmart account.
